Webinar January 19, 2023 6:30 – 8:30 PM

A quorum of Select Board may attend an informational webinar being hosted by the Boxborough Water Resources Committee. The webinar panelists will discuss plans being developed to address drinking water quality issues for residences and businesses west of I-495 along Codman, Swanson and Beaver Brook Roads. Representatives from the Department of Environmental Protection, Department of Transportation, and the Littleton Water Department, (LWD) will discuss the background and solution options. They will review the material in the fact sheet that they have prepared for condo owners. LWD will present information on estimated betterment costs.
