

**TOWN OF BOXBOROUGH
NOTICE OF PUBLIC MEETING
Meeting Minutes**

BOARD/COMMITTEE: Board of Health

MEETING DATE: 4/14/21

TIME: 7:30PM

PLACE: Virtual Meeting – this meeting was conducted via remote participation, pursuant to the Current Executive Order.

Members Present: Marie Cannon (MC), Bryan Lynch (BL), Pamela Follett (PF)

Other Attendees: Jim Garreffo (JG), Agent for the Board
Jim Starbard (JS), RCAP Solutions

Appointments:

7:45 PM - Private Well Program, Jim Starbard from RCAP Solution met with the Board to discuss RCAP grant program involving private wells: 3 goals testing assessment of well/well water, public educations around wells/water quality issues and assistance upgrading local regulations. As part of the grant RCAP is offering to test private wells (40 sites) in town and provide education on results; the results will be provided to the BOH without owner info. JS stated a goal of statewide well regulations to standardize construction, offset and protections. BL asked if the information was posted on the website and available to small development wells (under PWS threshold). MC asked if JS would be back to share results and BL asked about salt contamination and JS said it was a topic he had worked with condos near Rt 495 on their issue. JS also mentioned MassDEP had a set of model regulation for Boards to consider and BL asked to have them sent to the members.

Discussions:

Well Water issues: The Board discussed the recently adopted groundwater protection results and JG mentioned he needs to provide a final review of the approved regulations and then with provide a clean copy to the Administrative Assistant to post. They will be posted in the paper for 4/22/21.

Vibalogics Application: The Board discussed the creation of an application for entities to complete when requesting a permit. JG stated he could check for sample applications for the Board to consider and present them to the Board for review.
