Hello Buzz Readers!

My name is Kimberley Dee and I am the new Boxborough Council on Aging Coordinator. (Most people call me Kim.)

I want to thank all the residents and town associates for my warm welcome. I know my predecessor, Lauren Abraham, was a beloved member of the Boxborough Council on Aging and has been missed greatly.

I want to assure you that I will do my best to serve the seniors of Boxborough with dedication, respect and compassion, as I am sure Lauren did as well.

Professionally, I come from a background in senior services which began helping the elders in my own family and continued with my working as the administrative assistant at the Groton Council on Aging and an activities Assistant at Groton's Cooperative Elder Services.

Most recently, I served as an activity director at an assisted living community in Ayer, MA. Working with seniors has become my passion and I feel so fortunate to begin the next chapter in my career as the Council on Aging Coordinator for the town of Boxborough.

Personally, I grew up in Townsend, MA and lived in Pepperell for over 30 years. I am now a resident of Leominster, MA. I have two children, Michael is a high school history teacher and Tina is a labor & delivery nurse.

I really enjoy listening to music, especially live country, classic rock, contemporary Christian and classical musical performances. I enjoy going for walks, reading novels, playing word and board games, and traveling in the US and abroad.

I enjoy watching sports, primarily Red Sox and Patriots games and I am known for wearing jewelry or scarves, etc. to dress with the theme of every seasonal holiday.

I look forward to meeting you at one of our drive by or zoom events during the pandemic, but I hope we will all be able to get to know each other in person before too long!

Please feel free to contact me at 978-264-1717 if you have any concerns or suggestions or by email at [kdee@boxborough-ma.gov](mailto:kdee@boxborough-ma.gov).

My office hours are Monday, Tuesday and Wednesday 8am-2pm and Thursday 8am-3pm.
