TOWN CLERK
TOWN OF BOXBOROUGH

Central Mass Mosquito Control Project (CMMCP) will continue to team with the Mass Dept of Public Health (DPH) and monitor the mosquito population through the month of September and into October. Should mosquito viruses continue to emerge we will be prepared to spray for adult mosquitoes to reduce exposure should conditions warrant it. However, our residential request spray program will end the week after Labor and we will no longer accept resident requests after Monday August 25, 2025. Our final week of residential spraying will be the week of September 1, 2025.

I have inserted a spray schedule for the first week of September. This schedule also includes tentative dates for the remainder of the month should conditions change and we extend the residential spray request program.

Please continue to push the message to the public of avoiding mosquito bites!

Let me know if you have any questions.

Boxborough schedule:

*TUESDAYS in September
2nd - 23rd*

Respectfully,

Timothy E. McGlinchy
Director

CENTRAL MASS. MOSQUITO CONTROL PROJECT

~ September 2025 ~

NOTE This is only a tentative spray schedule, subject to weather and current mosquito populations. CMMCP may alter this schedule as necessary
