

BOXBOROUGH VETERANS MEMORIAL

BUILDING AN ONLINE TRIBUTE TO OUR VETERANS

ORAL HISTORIES AND PICTURES

We need your help!

The Boxborough Veterans Memorial Committee is asking for your help. We need information on Boxborough Veterans in the community to be included on an educational website in conjunction with the building of a Veterans Memorial.

If you know of anyone with ties to Boxborough who served at any time in the military, we would like to include them on our roster. If you have information on Boxborough veterans, (DD 214, pictures, journals, and stories) we'd love to have them to share with our youth and the community via an online tribute website.
